CERTIFICATE OF CONFORMITY

Registration No.: ECR/82478

Applicant & Manufacturer:	**APEX ENGINEERING** **GROUND FLOOR, 235 A/7, KOLSA BUNDER, DARUKHANA MAZGOAN, MUMBAI - 400 010,** **MAHARASHTRA. INDIA.**
Item Description:	**Flanges and Pipe Fittings Types & Grades:** MS, CS, SS, COPPER, COPPER ALLOYS, CU-NI, PRECIOUS METALS AND THEIR ALLOYS, INCLUDING PIPE FITTINGS **All Grades Flanges Type:** Slip-On, Blind, Socket weld, Weld neck, Long Weld neck, Orifice, Spade, Orifice, Ring Type Joint, Bleed Ring, Spectacle Blind, Lap Joint, Special Size, **Pressure Class**: 150, 300, 900, 1500, 2500 **All Grades Pipe Fittings Long Radius/ Short Radius Elbow / Socket weld & Seamless Type:** 45°.60°.90°.120°. 180°., Equal Tee, Unequal Tee, Nipple, Coupling, Bend, Stub End, End Cap, Concentric Reducer, Eccentric Reducer, **Pressure Class:** SCH-20.SCH-40.SCH-80.SCH-160. / 3000. 6000.
EC Council Directive:	**2014/68/EU PRESSURE EQUIPMENT DIRECTIVE.** **ANNEX III- MODULE A: (INTERNAL PRODUCTION CONTROL)**
Harmonized standards:	**BS EN 10253-2:2021+A1:2025** **BS EN 10253-4:2025** **BS EN 1092-1:2018**
EU Declaration of Conformity No:	**APE/001/26-27**

CE

The product(s) has been verified on a voluntary basis. The product complies with the principle requirements of the said directive based on voluntary tests. This attestation applies to the product sample only, and its technical documentation and test reports for certification. The detailed test results and standard(s) used as well as the operation mode are listed and verified. The Certificate is done as per Procedure / Scheme No. **EVL/CE/PC-A/2020/C-4**. Whereas the Manufacturer is responsible of the CE Marking certification of the product(s) and not exempted to perform all the necessary activities before placing the product(s) on the market.
The Manufacturer is also responsible to maintain efficient the internal production control to ensure the product(s) are in compliance with *2014/68/EU ANNEX III- MODULE A: (INTERNAL PRODUCTION CONTROL)* and the Harmonized Standards *BS EN 10253-2:2021+A1:2025; BS EN 10253-4:2025; BS EN 1092-1:2018.*
After ensuring necessary compliance & availability of technical documentation, including valid test reports claimed by the manufacturer/ applicant, as well as the performance declaration, the required CE Marking can be affixed on the products, to demonstrate the compliance with the said directive(s). The CE Marking Certificate should be used in conjunction with the EU Declaration of Conformity No APE/001/26-27. The overleaf postscript provides description of applicable conditions of marking, and also a traceability of test reports against specific models or groups.

1. The revalidation of this CE Marking Certificate is based on re-evaluation of documentation in relation to the product samples, voluntary test results, EU Declaration of Conformity (DoC) by the organization / manufacturer dated **23rd September 2026**.
2. This attestation is based on the samples of the mentioned products, as provided during the submission of the technical documentation and presumption of legitimacy of data related to test results. All product details, including test report numbers and harmonized standard references, have been mentioned on this certificate.
3. The Certificate is done as per Procedure / Scheme No**. EVL/CE/PC-A/2020/C-4**. This certificate is attested applying only to the samples of the mentioned product, as provided during the submission of the Technical Construction File based on the presumption of compliance on the evaluation of the Technical Report and Documentation. Euro VERITAS Limited maintains a copy of the Technical Construction File submitted at the time of Certification.
4. Voluntary tests have been performed against the said harmonized standards of **2014/68/EU PRESSURE EQUIPMENT DIRECTIVE;** and the reports are indicative of the description of samples.
   Conformity Route undertaken is ANNEX III- MODULE A: (INTERNAL PRODUCTION CONTROL).
5. Conformity Route has been adopted primarily as per the Individual decision of the Organization and has been approved under the EC Declaration of Conformity Statement. The Organization retains full responsibility of the performance and safety of the Product(s).
6. Tests against the said harmonized standards have been conducted inhouse by the Organization.
7. For the product models- **Initial** type testing & Factory Production Control is performed by the manufacturer, as per the requirements as specified in the directives and regulations, for which the product is intended to be used as declared in the EU Declaration of Conformity (DoC). EURO VERITAS LIMITED maintains a copy of the EU Declaration of Conformity (DoC) and the submitted test results.
8. The product models have been tested as per BS EN 10253-2:2021+A1:2025; BS EN 10253-4:2025; BS EN 1092-1:2018.
9. The certificate does not permit the usage of Euro VERITAS Limited Logo.
10. The applicant is authorized to use this certificate in conjunction with EU Declaration of Conformity, as a complementary document along with appropriate technical compliance documentation.
11. On the basis of the referenced test report(s), the sample(s) of the mentioned products have been found to comply with the harmonized standard requirements as stated on this certificate, and to the directive(s) listed on this verification at the time tests were carried out, or reports submitted with the highest confidence of the manufacturer.
12. The manufacturer may indicate compliance to the said directive(s) by signing an EU Declaration of Conformity (DoC) himself and applying the CE Marking to the products identical to the tested sample(s). In addition, the manufacturer shall file and keep the documentation according to the rules of the applicable directive(s) and shall consider changes to the standard(s), if relevant. Additional requirements may be applicable such as additional directives or local laws.
13. This certificate of compliance is for the exclusive use of Euro VERITAS Limited's client and is provided pursuant to the agreement between EURO VERITAS LIMITED and its client. Euro VERITAS Limited's responsibility and liability are limited to the terms and conditions of the agreement. EURO VERITAS LIMITED assumes no liability to any party, other than to the client in accordance with the agreement, for any loss, expense or damage caused using this certificate of compliance. Only the client is authorized to copy or distribute this certificate of compliance. The Organization shall keep EURO VERITAS LIMITED and/or its authorized representative indemnified from any performance/safety issues related to the product and there shall be no legal/regulatory obligations on Euro VERITAS Limited and /or its authorized representative on the usage of this certificate. Any use of the EURO VERITAS LIMITED name or one of its marks for the sale or advertisement of the tested material, product or service must first be approved in writing by EURO VERITAS LIMITED. The observations and test results referenced in this certificate of compliance are relevant only to the sample tested. This verification by itself does not imply that the material, product or service is or has ever been under an EURO VERITAS LIMITED certification program.
14. Euro VERITAS Limited shall not be responsible for any attestation that relates to additional compliance requirements as a response to addendums &revised versions of the harmonized standards. This certificate attests to the verified compliances in relation to the harmonized standards stated on this certificate only.
15. This attestation is subject to timely demonstration of compliance on a yearly basis. Any delays in renewing may invalidate this certificate, by default.
16. Euro VERITAS Limited attestations are based on the tested and demonstrated samples only. Euro VERITAS Limited shall not be liable for any product failure resulting from any change made on the product, in its design and application, whatsoever.
17. Any changes in the model numbers or the brand, are supposed to be brought into the notice of EURO VERITAS LIMITED local offices. EURO VERITAS LIMITED does not allow utilization of this certificate to incorporate CE Marking on products with altered brand names and model identities.
18. The usage of this certificate is strictly by the applicant. Any trading of the product done by other entities shall require a re-registration with EURO VERITAS LIMITED, in the new applicant's name and legal entity.
